Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Tuesday 17 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A fairly cloudy but dry day, some sunny spells later.

Today:
A dry day, though often fairly cloudy. Some sunny spells, mainly through the afternoon and along the south coast. Breezy, especially along coasts. Feeling relatively cool. Maximum temperature 20 deg C (68 deg F).

Tonight:
Remaining largely dry, though the odd spot of rain may affect some areas overnight. Winds falling light inland, though remaining breezy along coasts. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Another largely dry but often cloudy day, with a few patches of light rain or drizzle. More general rain approaching from the west overnight. Maximum temperature 21 deg C (70 deg F).

Outlook for Thursday to Saturday:
Unsettled on Thursday, with a mixture of rain and showers, some heavy. Dry on Friday with some sunny spells. Further rain and showers arriving on Saturday, heavy at times.
